RE: Sauget Area 1 Site, Sauget and Cahokia, Illinois

Dear Mr. McAteer:

This letter confirms the USEPA and IEPA hazardous waste activity numbers that will be used during the sampling of the Sauget Area 1. This information is based on conversations with Judy Kleinman of the USEPA and Paul Tackas of the IEPA.

We intend to use the following numbers: USEPA Site ID: ILD980792006
 IEPA Site ID: L1630200005

Any wastes generated during the sampling will be handled at the Solutia property on Judith Lane in Cahokia.

If you have any questions please call me at 314-674-3402 or Mike Light at 314-674-1617.

Sincerely,
